## General Information

### What is PCAP?

Pima Community Access Program, also known as "PCAP," is a not-for-profit organization that provides access to professional health care at discounted prices the uninsured can afford.

### Is Pima Community Access Program (PCAP) Health Insurance?

PCAP is not health insurance and does not provide insurance coverage.

### Does PCAP cost anything?

- \$40 yearly membership fee per person (due upon enrollment-cash or money orders only)
- No monthly premium
- Affordable co-payments payable at time of services

### How can I apply?

- Apply at a **Community Health Center** of your choice. Please refer to the back of the brochure.

### What documentation do I need to participate in PCAP?

- Proof of income: employment, pension, unemployment (current & last months)
- Proof of residency in Pima County

### When am I eligible?

Qualified members will be effective immediately upon enrollment.

## Services

### What services are available with PCAP?

- Primary Care Visits, Excluding Obstetrics
- Hospitalization
- Laboratory Services
- Radiology
- Specialty Care
- Pharmacy Discount
- Urgent Care
- Vision Services Discount

### Who provides these medical services?

Participating hospitals, physicians/providers, and primary care clinics have all dedicated themselves to providing affordable, comprehensive and coordinated health care for uninsured residents of Pima County.

## Eligibility

### My employer offers health insurance: can I still participate in PCAP?

Employers cannot subsidize any portion of your health insurance costs in order for you to participate in the program. However if you have a probationary/waiting period and meet our requirements, you are eligible for PCAP during that period.

### Is there a limit on the amount of household income I may have to be eligible for PCAP?

The level of income a household can have is based upon the number of members in the family. Please refer to the enclosed income chart.

### Any other requirements needed to participate in PCAP?

You cannot be eligible/enrolled in AHCCCS, Medicare or other health care insurance. Eligibility for AHCCCS or other government funded health care programs will be determined prior to enrolling in PCAP.
